|------|-------------------|---|---|---|---|---|
| STEM | Design Technology | | <ul style="list-style-type: none"> - Use the basic principles of a healthy and varied diet to prepare dishes. - Understand where food comes from. | <ul style="list-style-type: none"> - Design purposeful, functional, appealing products for themselves and other users based on design criteria. Making a back pack for a day out in the United Kingdom' - Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology. - Select from and use a range of tools and equipment to perform practical tasks (for example, cutting, shaping, joining and finishing). (Making a back-pack for a day out in the United Kingdom' - Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics. Science-making the strongest house from different materials - Build structures, exploring how they can be made stronger, stiffer and more stable. Science-making the strongest house from different materials | <ul style="list-style-type: none"> - Explore and use mechanisms [for example, wheels and axles], in their products. Make a lantern based on Florence Lady of the Lamp | <ul style="list-style-type: none"> - Design purposeful, functional, appealing products for themselves and other users based on design criteria. Bird feeders - Generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology. - Select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing]. Using scissors, glue PVA to join wood, thick card board, for bird feeders. - Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics. Recycling wood, plastic, cardboard, string, straws, fruit peel to make a bird feeder - Build structures, exploring how they can be made stronger, stiffer and more stable. Test the bird feeders with bird food chosen after testing the food birds best like in the environment. Which bird feeder is fit for purpose? |
| | Music | To be developed with a music specialist as part of the school development plan | | | | |
| | Science | <ul style="list-style-type: none"> - Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense. - Observe changes across the four seasons. - Observe and describe weather associated with the seasons and how day length varies. | <ul style="list-style-type: none"> - Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees. - Identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals. - Observe changes across the four seasons. - Observe and describe weather associated with the seasons and how day length varies. | <ul style="list-style-type: none"> - Observe changes across the four seasons. - Observe and describe weather associated with the seasons and how day length varies. | <ul style="list-style-type: none"> - Distinguish between an object and the material from which it is made. - Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock. - Describe the simple physical properties of a variety of everyday materials. - Compare and group together a variety of everyday materials based on their simple physical properties. - Observe changes across the four seasons. | <ul style="list-style-type: none"> - Observe changes across the four seasons - Observe and describe weather associated with the seasons and how day length varies. - Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees. - Identify and describe the basic structure of a variety of common flowering plants, including trees. |

| | | | | | | | |
|--|--|--|------------------------|---|---|---|----------------------|
| | | | | | - Observe and describe weather associated with the seasons and how day length varies. | | |
| | Working Scientifically | | | | | | |
| Computing | - Use technology safely and respectfully, keeping personal information private; identify where to go for help and support when they have concerns about content or contact on the internet or other online technologies. | - Use technology purposefully to create, organise, store, manipulate and retrieve digital content | | | - Understand what algorithms are; how they are implemented as programs on digital devices; and that programs execute by following precise and unambiguous instructions. | | |
| | - Use technology purposefully to create, organise, store, manipulate and retrieve digital contents. | | | | - Create and debug simple programs. | | |
| Physical development | Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations. | | | | | | |
| | Pupils should be taught to: | | | | | | |
| | <ul style="list-style-type: none"> • master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities • participate in team games, developing simple tactics for attacking and defending • perform dances using simple movement patterns | | | | | | |
| | Indoor | | | | | | |
| | Gymnastics (key steps) | Tri Golf | Gymnastics (Key Steps) | Athletics | Dance | NAK | |
| Outdoor | | | | | | | |
| | Invasion Games | Net / Wall games | Invasion Games | Striking & Fielding Games | Athletics | Invasion Game | |
| Whistles | PSHCE Following SCARF | Me and my relationships All About Me Workshop SCARF Coram Life Education | Valuing difference | Keeping myself safe | Rights and responsibilities | Doing my best | Growing and changing |
| | i-challenge | <ul style="list-style-type: none"> • Gunpowder plot workshop& (calling emergency services) • Be able to cross the road correctly - stranger danger • Trips- nature or wildlife • A star is born -Winter performance • Tree identification • Read a good book • Mammal identification • Animal tracks | | <ul style="list-style-type: none"> • Trips -museum • Build a model robot • Read a good book • Build a snowman | | <ul style="list-style-type: none"> • Pirate workshop • Make a shelter or den • Growing and gardening • Trips place of worship • Bird identification • Plant identification • Read a good book • Mammal identification • 3-D Natural Art Sculptures | |
| Build self confidence, building relationships, building teamwork | | | | | | | |
