

# WE'VE MADE A COMMITMENT TO END CHILD FOOD POVERTY.

## NEVER HUNGRY AGAIN ...

The Never Hungry Again campaign aims to support children and young people and eradicate local food poverty – not only during the school holidays, but forever. The campaign builds on the work we have been doing at Noah's Ark during the COVID-19 pandemic to tackle food and family poverty, especially supporting families that have been disproportionately affected.

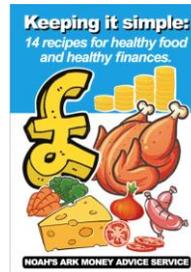

## KEEPING IT SIMPLE ...

Throughout the pandemic we have worked closely with our partners at shown above. With their support projects like 'Holiday Hunger' and 'Never Hungry Again' have enabled us to prepare and distribute:-

- over 12,000 frozen ready meals,
- provide 2,500 food parcels to over 5,000 families & individuals
- create, print & distribute 2,000 of our recipe booklets

The booklet contains 14 simple, nutritious and inexpensive meals for a family to prepare with accompanying YouTube videos for each recipe. Our booklet can be downloaded from our website or we can provide printed copies if required. Call Wendy on 077 7127 8978 or email her on

“ Thank you for taking my call and popping into the Gathering Place with some great booklets on “recipe ideas on a budget” and financial tips.

These are great for our Residents moving on from the shelter and for our Food Bank clients, who we want to help and support out of food poverty.”
