

Impact Education Multi Academy Trust

COVID 19 – Academy Risk assessment Post Sept 2021 v1.1

Academy: Warley Road Academy

Date of Risk Assessment: 3rd September 2021 Reviewed:

This document should be read alongside the “Operational Guidance” document for more detail of approach.

This risk assessment is compiled in line with Government guidance for the particular challenges of our Academies and reviewed regularly as and when circumstances change. The risk assessment should be reviewed alongside the Trust Guidance for Covid-19 Estate Management and current [Operational Guidance](#) notes.

All staff need to be trained/issued with the risk assessments relevant to their work and this must be recorded.

The risk assessment is demonstrating Impact Education and its academies are reducing and mitigating risk so far as is reasonably practicable following the most up to date Government advice.

If the guidance cannot be achieved after plans have been put in place then The Trust has to consider whether that activity or part of the Academy should be open.

COVID is a biological agent and comes under the COSHH Regulations and Health and Safety at Work Act. If you require any assistance with this process it is recommended you contact your health and safety manager at Impact Education.

**Please note that this risk assessment has been produced in line with the current Government guidance and advice available at the time of production (issued 27/08/2021). The risk assessment will be updated in line with further updates as and when they arise.*

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
<p>General – Risk of infection.</p>	<p>Staff, visitors, Pupils</p>	<p>General Controls and instruction to staff throughout the school: -</p> <ul style="list-style-type: none"> - Bubbles no longer required and mixing permitted. - Cleaning regime throughout site, especially touch points. - Hand washing facilities in place with pupils and staff encouraged to use these regularly. - Staff or pupils who may become symptomatic to isolate, obtain a PCR test and if positive to stay home and continue to self-isolate, following the advice given by NHS Test and Trace. NHS test and trace will work with the child's parents or directly with a staff member to identify close contacts. - Staff or students who test positive using a lateral flow device (LFT) should also self-isolate and seek a PCR test immediately. If negative and no symptoms have developed, self-isolation can cease. - For confirmed positive COVID cases of employees which may be work related to be reported to the schools H&S team. - If it appears there is spread of COVID within the school (from person to person within the setting) the school will be contacted by Public Health. In this instance, Outbreak Management Plans should be actioned, working in partnership with Public Health. This may involve contact tracing at school level. - Non- fire safety doors can be propped open to allow ventilation - Windows to be opened each morning to allow 	<ul style="list-style-type: none"> - Establish a record of cleaning. - Regular cleaning throughout the day. - Reminders of regular hand washing promoted in bathrooms. - Reminder to parents and staff of symptomatic people/ those in the household of someone who is symptomatic are not to attend school if the case is linked to track and trace. - Parents informed of the procedures in relation to COVID19. - Promote “catch it, bin it, kill it” approach - Ensure appropriate signage regarding social distancing and hand washing. - If anyone has recently left the country and returned the UK they must follow the advice on the current traffic light travel system. - Support and encourage the vaccine programme take up - Start and end of day arrangements can be found on the attached parent letter and will be reviewed on an ongoing basis. 	<p>All staff</p>	<p>Ongoing</p>	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
		<p>adequate ventilation. Where the weather causes the room to become uncomfortably cold for occupants the windows can be closed to a crack and then reopened once unoccupied. Consider opening higher windows in the event of cold weather. Rooms with no ventilation should only be used where doors can be propped open and there is air flow from outside of the room.</p> <p>-</p>				
Ventilation	Staff, pupils, visitors	<p>Need to balance the risk of transmission of the virus and a comfortable teaching environment which can be maintained by.</p> <ul style="list-style-type: none"> - Where there is use of mechanical ventilation adjust these to increase the ventilation rate where possible and check normal operation meets current guidance and only fresh air is being circulated. - If possible, systems should be adjusted to full fresh air or operated as normal within a single room and supplemented with outdoor air supply. - For natural ventilation the windows should be opened and in cooler weather should be left open just enough to provide constant background ventilation and opened wider during breaks to purge the air. May be beneficial to open higher-level windows to reduce draughts when the weather is colder. Allow flexibility for staff and pupils to wear additional suitable indoor clothing. - Open non- fire resisting doors to allow for air flow 	Establish areas throughout the school where there is poor ventilation.	Site staff All staff	Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Classrooms	Staff, Visitors, Pupils	<ul style="list-style-type: none"> - Classrooms to be regularly cleaned and cleaning supplies available in the classroom. - Pupils encouraged to wash their hands regularly - Windows opened to allow ventilation, if temperature is uncomfortable due to open windows these to be closed to a crack while occupied and then reopened while unoccupied. - 	-	Site staff All staff	Ongoing	
Provision in Early Years	Staff, Pupil Visitors	<ul style="list-style-type: none"> - EYFS ratios still to be met - Promotion of handwashing with staff. 		All staff	Ongoing	
Corridors	Staff, pupils, visitors	<ul style="list-style-type: none"> - regular cleaning of touch points. 		Site staff	Ongoing	
Toilet and cloakrooms	Staff, pupils, visitors	<ul style="list-style-type: none"> - Available hand washing facilities with soap and warm water with encouragement to use these facilities regularly and prior to eating. - Regular cleaning of the toilet area touch points. 	<ul style="list-style-type: none"> - Establish record of cleaning for all toilets. 	Site staff and all staff	Ongoing	
Playground and play equipment	Staff, Pupils, Visitors	-				

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Resources and equipment	Staff, Pupils					
Therapy equipment and sensory rooms	Staff, pupils, visitors	<ul style="list-style-type: none"> - Establish what equipment can be cleaned and adequately disinfected before being put back into use. - If cleaning not possible in between the users, then must be restricted to one user or left unused for a period of 48 hours (72 hours for plastics) when used by different individuals. 		All staff	Ongoing	
Drop off/collection areas with parents	Staff, pupils, visitors, parents	<ul style="list-style-type: none"> - Parents/ carers informed of their pickup/ drop off times and points. - 		SLT	Ongoing	
Catering	Staff, pupils, Visitors	<ul style="list-style-type: none"> - Hygiene standards to be maintained 		All staff	Ongoing	
Reception area	Staff, Pupils, Visitors,	<ul style="list-style-type: none"> - encourage parents to contact the school by other means than face to face. - The design of the reception area may already create a barrier between front facing staff and others. - 		SLT	Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Area for isolation/first aid and separate toilet	Staff, Pupils,	<ul style="list-style-type: none"> - Identify an appropriate area in which could be used for first aid and maintain cleaning standards and clean after each treatment. 	-			
Clinically vulnerable and Clinically Extremely Vulnerable (CEV)	Staff, pupils, visitors	<ul style="list-style-type: none"> - As a minimum CEV staff are to follow the same guidance as everyone else, the key issue is consultation with any vulnerable staff as per HSE advice and it is always advisable to document this discussion and agreement. - If this is the case, a full risk assessment with the staff member should be undertaken and any discussion documented including the measures you have put in place to make the workplace as safe as possible for them. - The CEV guidance extends to staff who are more than 28 weeks pregnant (and those below 28 weeks with other health concerns), but again only where they are fully aware of the risk to themselves and their unborn baby if they catch COVID. If they still want to work, they need to agree with you the safest way of working and advice may be required from occupational health. 	<ul style="list-style-type: none"> - Request information from staff and parents to identify those in these categories. - Keep in contact with those who are shielding or working from home. - Encourage and promote the take up of the vaccine programme. 	SLT	Ongoing	
Staff contingency arrangements	Staff, pupils	Staff meetings (teachers, Associate staff, phase and other smaller team meetings) will be held face to face. Any meetings involving all staff will be held virtually.	<ul style="list-style-type: none"> - Ensure staff are aware of the reporting procedure to highlight if they have any symptoms. - ensure there is a plan in place to have a suitable and sufficient staff ratio to pupils which may include having cover staff. 	SLT	Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Symptomatic staff or pupils	Staff, visitors, pupils	<ul style="list-style-type: none"> - Identify an area in which anyone who is symptomatic can wait for a parent to collect in a well ventilated. - Area in which symptomatic people are awaiting requires to be cleaned after use. - Staff and Children can be eligible for testing. - Those who require close supervision while awaiting collection should remain at a distance if possible and wear appropriate PPE (Type IIR face mask, eye protection, apron, disposable gloves.). - Those who become symptomatic should return home and avoid using public transport and where possible collected by guardian. - Preferably should use a separate bathroom which must be cleaned and disinfected using standard cleaning products before used by anyone else. 	<ul style="list-style-type: none"> - Review where in school symptomatic people waiting area would be best located - Establish a clear procedure of how to access testing and when someone should be tested. - Where there are work related positive COVID cases these may be HSE reportable and guidance from the schools H&S advisors should be sought. - In an emergency call 999 if someone is seriously ill or injured or life is at risk. 	SLT Site staff	Ongoing	
Assembly & gatherings	Staff, Pupils Visitors	<ul style="list-style-type: none"> - As mixing is permitted assemblies and gatherings can go ahead Any large gatherings do increase the risk of spread, and decisions to bring large groups together should be taken in that context. 	<ul style="list-style-type: none"> - Conduct a risk assessment for such event. 	SLT	Ongoing	
Transport arrangements	Staff, Pupils, Contractors	<ul style="list-style-type: none"> - Where possible encourage those who are on school or public transport to use face coverings. - Social distancing where possible also strongly encouraged. - The buses to have windows open to provide ventilation. - Those travelling by bus to have access to wash facilities which use is encouraged 	<ul style="list-style-type: none"> - Establish an agreement with the transport provider of the controls they will have in place to ensure safety. 	Mark Clayton	Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Personal Protective Equipment (PPE)	Staff, Pupils	<ul style="list-style-type: none"> - PPE required for personal care only. - PPE should be suitably stocked - PPE signed out when used. - Risk assessment for each child to be conducted to highlight the requirement of PPE; however, a face mask isn't required for personal care from current guidance. 	<ul style="list-style-type: none"> - Inform staff of the requirements for PPE and provide information for their safe usage. - Individual risk assessments to be conducted. 	SLT	Ongoing	
Home visits	Staff, Families, Pupils	<ul style="list-style-type: none"> - Home visits can go ahead but staff should remain cautious. and check the COVID status of the house prior to entering - Hand sanitiser provided for staff required to conduct home visits - Face masks to be worn and/or social distancing maintained during a home visit 	<ul style="list-style-type: none"> - Establish/ update home visit procedure to include COVID19 controls. 	Staff SLT	Ongoing	
Visitors & Contractors in schools		<ul style="list-style-type: none"> - Where necessary obtain confirmation those who will be on site are not showing signs of COVID19. - Provide handwashing or hand sanitiser facilities for visitors/ contractors. - Visitors should be encouraged to socially distance - Visitors should be encouraged to wear face coverings. 	<ul style="list-style-type: none"> - Aspects relating to COVID to be included in the contractor rules for the school. - Contractors and visitors to establish in writing (via email) they are not showing symptoms of COVID19 or a declaration to be established for signing in. 	Business Mgr Site staff	Ongoing	
Physical restraints/ comforting, first aid	Staff, pupils	<ul style="list-style-type: none"> - Ensure team teach training has been achieved by teachers who are required to carry out physical restraining. - Ensure wash facilities are available after a close contact event. - No child or member of staff should be in school if they are symptomatic. 	-	SLT All staff	Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
Waste	Staff, pupils	<ul style="list-style-type: none"> - Waste to be regularly removed from within the building and in the outdoor bins. 	<ul style="list-style-type: none"> - If someone is symptomatic and while isolating until collection any tissues or waste to be bagged up and stored for 72 hours prior to collection. 	Site staff	Ongoing	
Lateral Flow testing	Staff, pupils	<ul style="list-style-type: none"> - Those employees who have agreed to be a part of the lateral flow testing to be encouraged to regularly test at home. - Waste from these tests can be disposed of in general waste bin - Staff who test positive from such test will need to self-isolate and obtain a PCR test. - Those who are symptomatic must not attend school, should be self-isolating. 	-	All staff	Ongoing	
Face Coverings	Staff, pupils, visitors	<ul style="list-style-type: none"> - face coverings requirement has been removed however the government expect and recommends they are worn in enclosed and crowded places with people you don't normally meet with such as on public transport. 	<ul style="list-style-type: none"> - Pupils and staff may bring a spare face covering to replace if the covering becomes damp during the day. - Pupils, staff and visitors may feel more comfortable wearing face coverings and the school should encourage the use of these. - Outbreak management plan may reflect the use of face coverings if there is an outbreak and, in such instances, public health should be advising. - Those with SEN or communication needs should be taken into account when 	All staff	Ongoing	

The Activity What are the Hazards?	Who might be affected?	What additional controls have been put in place to reduce the risk of infection in accordance with Public Health advice?	Are there any further actions necessary?	Action by whom?	Action by When?	Done
			establishing face coverings.			
Educational Visits	Pupils, staff, visitors, public	- Guidance at the time of this risk assessment recommends against all international Educational Visits. From September you can visit internationally for trips that have previously been deferred and be aware of the travel lists.	- Continue to review such guidance. - Ensure all educational trips have appropriate risk assessments established.	Mark Clayton	Ongoing
