

October Half Term Holiday Schemes

Calderdale Council and Community Foundation for Calderdale have joined forces to **fund holiday schemes for the forthcoming October half term**. These schemes will be free to school-age children eligible for **benefits-related free school meals**. Some schemes also accept fee-paying children.

The October half term programme is on a smaller scale as the Government’s HAF programme does not cover half terms. Local funding for the schemes below has come from Calderdale’s *Never Hungry Again* campaign. Resources have been focused on the areas with highest rates of children on free school meals.

Parents can click here: <https://cffc.co.uk/october-holidays/> to find and book a holiday scheme in their area 25th-29th October.
