

Friday 24th February 2023

Proposed changes to Warley Road Academy PAN from September 2024.

Following a full consultation period from Monday 5th December 2022 for 6 weeks until Monday 30th January 2023, I can confirm that no representations or responses have been received from any notified stakeholders or any other individual or body following publication on our website.

As such, we determine that, from September 2024, the PAN at Warley Road Academy will reduce from 75 to 60 and hereby enclose our full and determined admission arrangements.

These determined admission arrangements have been ratified by Trustees of IMPACT Education Multi Academy Trust on Monday 6th February 2023, following which they have been sent, in full to Calderdale Local Authority and published in full on our Academy website.

All stakeholders have been informed of the determination.

Yours sincerely

J. Eccleston
