Welcome to the summer term

I hope you all had a restful break and spent some quality time with your families. The summer term is always a busy one and my favourite time of year, as we celebrate all the children's achievements. This year, the summer term starts with a few weeks where school is closed for one reason or another, with the first date of the 21st April for Eid. This is followed by 2 Bank Holidays; 1st of May and the 8th May. On the 5th of May we are planning some activities to celebrate the King's coronation with a 'Be the King and Queen for the day' event when children will come to school wearing red, white and blue. I hope you enjoy reading our newsletter this month.

100% Attendance T-shirts

We all know now how important school attendance is for all sorts of reasons. We know that when children miss school, they miss learning, they miss out on friendships, they miss out on developing essential social and personal skills and most of all they miss out on the fun at school.

At the end of the autumn term we gave out 96 100% t-shirts.

At the end of the spring term we gave out a whopping 123 100% t-shirts.

Can you help your child achieve a 100% t-shirt this term?
