

## End of year newsletter

As we come to the end of another fabulous year, we hope you are as proud as we are of your children and all they have achieved. Every day at Warley Road, the children amaze us in some way, from mastering their times tables to climbing to the top of a climbing wall, they have shown huge amounts of resilience and responsibility!

Our year 6 children in particular have impressed us with the way they have matured in this final year of primary school. We know they have achieved great results in their SATs and I can't wait to see them in the end of year performance in the final week.

These achievements are only possible through the hard work and dedication of all school staff and families at home. From making sure children get to school every day, to reading with them at school and at home; everyone of the Warley Road family have done their bit in having a great year.

On behalf of the children, thank you.

I hope you all have a wonderful summer break!

Mrs Tindal

## End of year reports

Your child's end of year report is included in this envelope and we hope you enjoy reading about your child's achievements and will find the suggestions for next steps useful.

The report shows whether your child is working within the national standards for their age, above or below. You will also see that teachers have given a coloured star (bronze, silver, gold) to show the progress your child has made and their efforts towards developing the 4 Rs.

Your child's attendance is shown as this is incredibly important in their education. A green attendance record (over 96% attendance) means your child has the opportunity to reach their full potential.

Finally, you can see who your child's teacher will be next year.

There is an opportunity to meet your child's current class teacher if you feel there is anything from the report you would like to discuss. To book an appointment please login at [www.parents-booking.co.uk/warleyroad](http://www.parents-booking.co.uk/warleyroad).

We do hope though that the reports are detailed enough for you to have all the information you need about your child's progress and attainment.

July 2023

## Summer activities

There are lots of activities taking place in school over the summer. Here is how to book a place:

- Try High summer holiday club
- <https://www.invictuswellbeing.com/tryhigh>
- Swimming clubs available to book on parent pay
- Family trips to Blackpool available to book through the office
- Bikeability sessions details available at the office.

## Goodbye

As well as saying goodbye to our super year 6 children, we also say goodbye to some staff. Mrs Begum is moving onto a career with the NHS – we wish her lots of luck! Mrs Clarke is leaving after being with the school since 2007!! She is planning to spend more time with her family. We wish them all lots of happiness in their futures.

Building relationships, confidence and teamwork
