

Welcome to the last half term of this academic year

Welcome back to school. I hope you had a restful week and are ready for a busy, final half term, full of learning and fun. Along with all the activities planned, this is always the time of year when the weather heats up and we all need to think about being sun safe. Our Victorian building gets very warm when the sun is shining, so we will be asking children to take off jumpers and cardigans to keep them as cool as possible. Please remember to apply sunscreen to your children in the morning so they are protected when they play outside.

Just before we move on, I'd like to tell you all how PROUD we were of our year 6 children who sat their SAT tests in May along with year 6 children up and down the country. They all applied themselves diligently and calmly and we know they all did their absolute best. The results of the tests are being published to school on the 11th May and so your children will find out how they have done on the 11th and 12th from their class teachers.

Mrs Tindal

May/June 2023

Coronation day!

We all had so much fun on our Coronation Day last half term. Our King and Queen were suitably regal and all our children made pledges of kindness and helping as part of the theme 'Big Help Out' – you can see the video of the pledges on Twitter.

Fundraising

Wow! We were blown away by the generosity of our community when we had a fundraising day to raise money for ready initiatives and resources (books). An incredible £795.59 was raised! Watch out in future newsletters to find out how the money gets spent.

Ofsted update

Thank you to everyone for your patience and kind words during the visit from an Ofsted inspector on Wednesday 7th and Thursday 8th June.

The outcome of the inspection will be available within 30 days for us to share with you.

As always, your children made us all very PROUD and the inspector was impressed with their politeness and confidence.

Thank you
